STRONGER: FINDING HOPE IN FRAGILE PLACES

We are excited to announce that the next women's Bible study will begin this Wednesday, March 19 and continues through May 7 in Reed 100. The study for this session is by Angela Thomas and is called *Stronger: Finding Hope in Fragile Places*. This study provides tools to help women:

- Stop facing today in weakness and be strengthened by God's promises to every Christ follower
- Tackle everyday struggles empowered with a biblical understanding of God's riches and His love
- Overcome spiritual immaturity through Christ-centered teaching that produces growth and change
- Break life-long patterns of defeat and despair, refocused on the glorious hope promised to us in Christ
- Remove paralyzing inner anxiousness and truly live in the peace that surpasses all understanding
