A. MINISTRY TO MINORS PROTECTION AND SUPERVISION

A.1 MINISTRY TO MINORS POLICIES AND PROCEDURES

First Church of the Nazarene is committed to creating a safe and healthy environment in which young people can learn about and experience God's love. Therefore, we will provide supervision for all ministries and activities involving minors and employ practices that provide for the safety of all minor participants as well as teachers, leaders or helpers who serve in these ministries.

At Nashville First Church of the Nazarene (NFCN), we take our responsibility of caring for minors very seriously. The following guidelines are intended to facilitate a safe and nurturing environment in which minors can grow in relationship with one another, adult/teen volunteers, and Jesus Christ.

The pages of this Policy Manual provide a general overview of procedures and guidelines for NFCN's Ministry to Minors Volunteers and Employed Staff Members. These policies are intended to create a safe environment, protect our minor children, and protect our ministry volunteers.

Ministry Volunteers must have a professed commitment to Jesus Christ that is demonstrated through spiritual growth, leadership, and lifestyle. In addition, Ministry Volunteers must have successfully completed our screening process (See Attachment C).

A.2 MINISTRY TO MINORS DEFINITIONS

Minor Ministries: All ministries that involve the following ages and activities and any other age-level related event or activity: Nursery, Preschool, Elementary, Middle School, High School, Emmaus, NazRec, NazArts, and all other minor-related ministries.

Adult: A person 18 years of age or older who is one year removed from high school ministry.

Driver: A volunteer who helps transport children and/or youth for a special activity. To be a driver of a NFCN vehicle, an individual must be at least 25 years of age and a copy of his/her driver license submitted to the Finance Office at Nashville First Church of the Nazarene before departure on the trip.

Off-Site Event: An event requiring transportation that is scheduled off Nashville First Church of the Nazarene's property and may or may not include an overnight activity (e.g. bowling, mission trip, camp, retreat, etc.).

One-time Volunteer: An adult who helps with an event (camp, trip, retreat) but has not committed to regularly helping with youth activities.

Teacher, Ministry Leader, Greeter, Host/Hostess, or Small Group Leader: A paid or volunteer adult worker who has direct responsibility for the care of minors under their supervision.

Ministry Volunteer: Any adult or teen who has been approved for Ministry with Minors by the NFCN Nazarene Safe Processing Committee.

Minors: All children and youth participating in the Nursery-12th grade programs, categorized and defined as follows:

Nursery: Birth until age of Two
Preschool: 2 Years Old – Kindergarten
Elementary: 1st - 5th Grades
Middle School: 6th – 8th Grades
High School: 9th – 12th Grades

A.3 MINISTRY TO MINORS PROCEDURES

A.3.1 TWO-ADULT POLICY

The Two-Adult Policy is intended to protect minors and prevent adults from encountering a situation where they could be wrongfully accused. Therefore, no adult should be alone in the church, in a vehicle, or at a church-approved activity with a minor who is not related to him or her. It is our general practice to not allow one adult with one child in a room; however, those involved in private lessons through our East Nashville Life NazRec or NazArts programs may sign a Parental Consent for Private Lessons Form. (See Attachment A.) Parents are always welcome to sit in on private lessons or group lessons may be an option. A Ministry Volunteer who finds himself/herself without another Ministry Volunteer in the room, should stand in the opened doorway of the room until another Ministry Volunteer joins him/her. One adult and one minor should never be in a room together alone. At least two Ministry Volunteers should wait with minor(s) being picked up after an onsite or offsite event.

It is permissible to have one adult per car carrying multiple children or youth to an off-site event, but at no time should an adult be alone with a child other than his/her own. Two minors and one adult in a vehicle is appropriate.

A.3.2 OFF-SITE EVENT GUIDELINES

Parents or guardians and participating minors shall be given detailed information regarding programs, activities, leaders, chaperones, dates, times, cost, method of transportation, purpose of the scheduled trip or activity and other relevant details prior to the occurrence of any off-site event.

All occupants of a vehicle must use an individual seat belt (no multiple belting) at all times during the operation of the vehicle.

Ministry volunteers transporting minors are prohibited from using handheld mobile devices while driving. In the event of an emergency, the ministry volunteer is required to pull off the roadway to a safe spot and come to a complete stop before using a handheld device.

Appropriate supervision: The two-adult policies and procedures apply for all church events, including those held off-site. On an overnight trip there must be at least one male and one female chaperone. Adults are never to share a bed with a student/minor, unless it is their own child.

When required, a Medical Release Form must be signed and notarized by a parent/guardian prior to departure for an off-site event. (See Attachment D.)

A.3.3 DISCIPLINE

All staff, volunteers, and minors are expected to act in a respectful manner toward all others participants in a group function.

Participants are expected to follow the guidelines of this Policy Manual. The purpose of discipline is to maintain order in a manner consistent with the teaching of Christian responsibility, respect and cooperation. No minor will be disciplined by use of any form of physical punishment such as: spanking, hitting, grabbing, shaking, or any other means of physical discipline. Instead of using physical force, we encourage volunteers to redirect negative behavior.

Positive reinforcement of appropriate behavior is the acceptable method of correcting a minor. After encouraging positive behavior and allowing the minor an opportunity to cooperate with the activity, a parent may be contacted for assistance if negative behavior persists.

Mutual respect in communication between minors and staff or ministry volunteers is expected. Appropriate behavioral expectations will be clearly communicated.

Disruptive, disrespectful, or dangerous behavior will be addressed by the leader, teacher, or chaperone in charge. If this behavior occurs on a trip or retreat, the leader reserves the right to contact the parent/guardian and send the minor home at the expense of the parent/guardian.

Adult volunteers must report all infractions of rules to the minister or adult leader of the group. Communication with parents is encouraged.

A.3.4 HEALTH AND SAFETY

We adhere to the Universal Precautions Guidelines (<https://www.osha.gov/SLTC/etools/hospital/hazards/univprec/univ.html>) for handling the proper health and safety of all children and workers. According to the Universal Precautions, all human blood and human body fluids are handled as if known to be infectious. Most infections are spread orally or through human feces, and some are even spread by person-to-person contact. Because of the nature of a child's normal activity, particularly with diapered infants and toddlers, as well as the normal infant mouthing behavior, young children are more easily prone to a higher rate of infection.

A first aid kit is available in the Church Office Copy Room, Connection Center, Kid Central, and Elementary Welcome Desk.

Fire safety information, emergency evacuation routes and meeting place will be clearly posted in every classroom, along with emergency numbers for the church, police and fire departments.

Emergency procedures, including evacuation plans, will be reviewed at each teacher orientation.

- In the event of a tornado, minors will be taken into the inner hallway to kneel against the wall in a fetal position with hands cupped overhead until threat passes.
- In the event of a fire, minors will exit the building according to evacuation routes, as posted in classrooms. Children will meet in the parking lot at corner of Woodland and 6th Street. Youth will meet in Jubilee the parking lot at the corner of Russell St. and 5th St.

“Ouch Reports” are used to report injuries. They are kept at Kid Central, Elementary Welcome Desk, and our Youth and Children’s Pastors’ offices, and should be completed by the Ministry Leader at the time of injury.

If there is a medical emergency, the parents and the minister should be contacted and 911 called as warranted. The Ministry Leadership reserve the right to get appropriate medical treatment for a child, including an ambulance, if the parent cannot be located.

The importance of hand washing before handling food and after any clean-up is emphasized to prevent the spread of infection. Volunteers must assist younger children in the washing of their hands.

Disposable gloves are available for any volunteer needing to assist with clean-up of bodily discharge (blood, vomit, diaper changing, assisting in restroom, etc.)

Disinfectant Solution is available for clean-up of places where bodily discharge has soiled common areas and/or supplies, toys, etc.

NFCN Staff and Volunteers are prohibited from dispensing any over-the-counter or prescription medication during weekly ministry programming. If children or youth are at an over-night event (camp, retreats, etc.) which requires an adult to administer the dispensing of their medication, authorization must be given in writing.

If a minor has had signs of any fever or contagious illness (non-clear discharge from nose, eyes, or ears; diarrhea, vomiting, croup, unexplained rash, boils, ringworm, impetigo, pink eye, etc.) within the past 24 hours, he/she should remain with the parent and avoid the children’s ministry areas. If symptoms develop during their time at an NFCN ministry event, a parent will be contacted to pick him/her up immediately.

A.3.5 CONCERN FOR A MINOR'S SAFETY OUTSIDE OF CHURCH

If, in the context of a class or other event, a minor discloses information that raises concern about his or her safety outside of the church, the incident should be discussed promptly with the ministerial staff to clarify and determine an appropriate level of response.

A.4 AGE-LEVEL PROMOTION

Promotion Sunday for advancement to the next grade/class level is the first Sunday in August.

Crib babies are promoted to the Tumbler class when they begin crawling and pulling up, or on the first Sunday of the month following their 10-month birthday at the discretion of ministry personnel.

Tumbler babies are promoted to the Toddler class when they begin walking, or on the first Sunday of the month following their 16-month birthday at the discretion of ministry personnel.

Toddlers are promoted to the 2's Class on the first Sunday of the month following their 2nd birthday at the discretion of ministry personnel.

Classes age 3 and 4 promote by age. A child must be the class age by August 15 of the previous year to be promoted. Kindergarten through 12th grade promote based on school grade. We follow Metro Davidson County's school entry policy using the August 15 date to determine entry into Kindergarten.

All promotions are at the discretion of the Children/Youth Pastor.

A.5 OPENING/CLOSING FACILITY

Children's and Youth areas are open 15 minutes before a session begins and will close 15 minutes after a session ends.

A.6 PROFESSIONAL COUNSELING OF A MINOR

Scheduled private counseling sessions with minors require signed parental permission prior to the meeting.

Counseling with a minor should take place only in a space where observation windows are available.

A.7 BUS MINISTRY PERTAINING TO MINORS

The Bus Ministry of Nashville First Church of the Nazarene seeks to provide reliable, safe transportation to and from weekly activities hosted at the church. Therefore, minors must be accompanied by their parent/guardian when riding in a Bus Ministry vehicle to and from NFCN. If a minor needs to ride without their parent/guardian there must be a signed Consent of Minor Riding in Bus Ministry Vehicle without Parent/Guardian Form (Attachment G).

In addition, a cell phone number may be requested in order to reach the responsible party. We encourage parents/guardians to leave their cell phones on vibrate during services in case we need to reach them.

B.2.5 SPECIAL HEALTH/EDUCATIONAL/SOCIAL/EMOTIONAL NEEDS

The parent/guardian should inform the Ministry Leader/Teacher of any of his/her child's special needs. A supply of special needs toys have been purchased to assist a child when needed. If a child has a unique allergy, it is the responsibility of the parent/guardian to inform the caregiver each week. In these cases, it is encouraged for parents to pack special snacks to ensure no allergic reaction and to place a special "allergy alert" sticker on their child. These tags can be picked up at Kid Central upon request. The child's allergy information can be placed on his/her Identification Tag.

Caregivers will spray all toys and play equipment with the disinfectant solution after each session before they leave.

As needed, Ministry Volunteers assisting children who are able to use restroom on their own shall assist them to the restroom but shall not enter the restroom with them. The Ministry

Nashville First Church of the Nazarene Protection of Minors Policy

The Manual of the Church of the Nazarene states that the business of the local church board shall be: *“To adopt and implement a plan to reduce the risk that individuals placed in positions of authority within the church will use the position of trust or authority to engage in misconduct. The plan for each local church must take into consideration its own unique circumstances”* (Paragraph 129.30). The following guidelines are presented to meet that mandate.

1. All adults, both employed and volunteer who work with minors must undergo a criminal background check prior to beginning work. All persons who work with minors must undergo a Screening Process. The steps and checklist to be used in the Screening Process are labeled “Attachment C”. The criminal background check may be repeated up to one time every three years.
2. Adults who have been convicted of either sexual or physical abuse of minors, or those who have a history of inappropriate conduct with minors or who have an incident of moral turpitude, will not be employed and shall not volunteer service in any church-sponsored activity or program for minors.
3. Employees and volunteers who work with children and youth shall observe the “two-person rule” or the “open door policy” at all times. The “two-person rule” requires that employees and Ministry Volunteers shall make every reasonable effort to avoid situations in which an employed or volunteer worker is alone with minors. The “open door policy” requires that the door be open at all times or an unobstructed view be available through windows in doors. The “two-person rule” or the “open door policy” will be mandatory for all employees and Ministry Volunteers working with minors except in the event of a signed parental consent form.
4. All persons desiring to work with minors are required to be active members or active regular attenders of a ministry of Nashville First Church of the Nazarene for a minimum of six months before they may begin. Any exceptions will be made at the discretion of the Pastoral Team.
5. Guidelines and procedures for reporting suspected incidents and responding to reported incidents of abuse, or any behavior which seems abusive or inappropriate are listed in Attachment F.

IMPLEMENTATION AND OVERSIGHT:

The *Protection of Minors Committee* (appointed by the Pastor and approved by the Board) will have the responsibility of implementing and enforcing these guidelines and procedures, including the implementation of the screening process, training of employees and volunteers, and the maintenance of confidential records.
